

PBC Cleaning Schedule

1 What is this?

A simple plan to be faithful to maintain the property that God has given us. Pairs of members are assigned a specific month in which to clean the main church building. Cleanings should occur **the week leading up to or following the 4th Sunday** of the given month (in order to be best spaced from the work day cleaning). Pairs are assigned so that this time can also be used as a time of fellowship.
